## HOW MUCH DOES IT COST A SYRIAN REFUGEE HOUSEHOLD TO ACCESS THEIR CASH ASSISTANCE?

Analysis from the WFP MPC programme in Lebanon

### WHAT IS WFP MULTI-PURPOSE CASH (MPC) ASSISTANCE?

8

\$27 per individual

Top-up of \$173.50 per household

The WFP MPC package is a

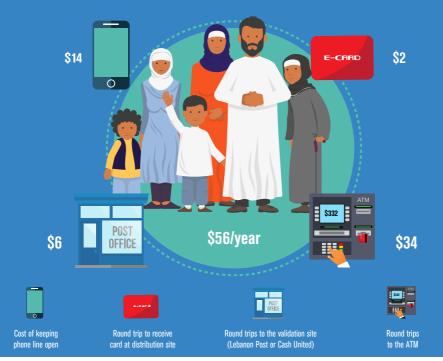

### 12-month unrestricted cash transfer

delivered monthly on an e-card to help households meet their essential needs, and can be withdrawn from ATMs.

#### Average \$332 per household per month

÷.

The MPC package complements other interventions led by WFP and other organisations providing assistance to Syrian refugees in Lebanon.

# Source: Value for money analysis of WFP's MPC programme was conducted by CAMEALEON and Key Aid Consulting. All monetary calculations, including transfer values, are from 2019 using a rate of 1 USD = 1,500 LBP. For more information, contact Rachel Eichholz, Cash Specialist, rachel.eichholz@nrc.no.
